Greetings!

Jan 17, 2023

To our dearest Mission family,

Glory to Christ for his eternal inheritance and his marvellous Church fellowship. It's an exceeding joy to write this year 2023's word of encouragement letter to you.

The Lord's word from Isaiah 63:1-6, 7-10, teaches his people to "Fear Wisely!" And the following are his promise and cautious word.

## Word of Promise ( Isaiah 63:9)

**1. You will not be alone.**

Why? *"In all their affliction he was afflicted..."*

**2. You will not be helpless.**

How? *"...and the angel of his presence saved them..."*

**3. You will be not left behind.**

Because? *"...in his love and in his pity he redeemed them..."*

**4. You will be lifted & carried.**

How long? *"... all the days of old."*

## Word of Caution ( Isaiah 63:10)

No evil force can cancel God's promise, but if we turn away from God, we will end up fighting against his kindness. Therefore;

- Be his children who do not deal falsely - Isaiah. 63:8
- Do not rebel or grieve the Holy Spirit - Isa. 63:10

**Let us pray:**

*"Our loving father in heaven, how great is your steadfast love! Now help us to remain in your love and keep our feet from sliding away. And we're weak and fickle, so guide us with your mercy."*

May the Lord God bless you according to Psalm 29:11, amen, in Jesus' name!

Yours in his service,  
**Pastor.**  
God Bless!
