

How to Use the MCS Youth Study Guide

Follow these simple steps to get the most out of your study:

1. Preparation & Prayer

- **Pray First:** Ask the Holy Spirit to help you understand the truth in God's Word.
- **Read Twice:** Read the Bible passage once for the story, then a second time to focus on God's thoughts.

2. Personal Study

- **Answer Questions (SQ):** Write out answers to every Study Question, even the easy ones. Use a separate notebook if you need more space.
- **Summarize:** When asked, write verses in your own words to check your understanding.
- **Memorize (MV):** Cut out the Memory Verse cards and carry them with you to practice throughout the day.

3. Group Time

- **Worship:** Start your youth group meeting with prayer and worship.
- **Discuss (DQ):** Share your thoughts on the Discussion Questions together to summarize what you learned during the week.

"May this journey bring you a deeper relationship with our Lord Jesus Christ."
